Subject: Schedule for Watershed Assessment and 404(c)
Memo to Hough, Parkin re Schedule Assessment 404(c) process.doc

Palmer and Rick,

I am attaching a memo that recommends how to speed up the current process for the watershed assessment and any 404(c) determination. I suggest shifting from a "linear" schedule to an "overlapping" schedule, along the lines described in the attached memo.

If it helps, we might talk.

Best regards,

Jeff Parker
